

*Machines
Delivered!*

6000

We have delivered 6,000 machines!

A result that we have reached in **30 years of operation** thanks to the continuous innovation of our range of products.

A success made possible by our **corporate mission** for cutting-edge bottling and packaging solutions which, inspired by the principles of Industry 4.0 and the Internet of Things (IoT), aim at a whole integration, automation and interconnection of the production processes.

We would like to thank all the **clients** who have trusted us and enabled us to seize the latest market challenges and look to the future to provide state-of-the-art solutions..

Follow us on SMI social media to keep updated with our latest news!
